

BUREAU VERITAS CERTIFICATION HOLDING SAS CERTIFICATION STATEMENT

Bureau Veritas Certification has performed a verification of **Inner Mongolia Sunjiaying 50.25MW Wind Power Project** in Inner Mongolia Autonomous Region China (UNFCCC CDM Registration Ref. 1488-dated 24/04/2008). The verification is based on the currently valid VCS Program 2007.1 released by Voluntary Carbon Standard Association on 18 November 2008.

The management of Chifeng Xinsheng Wind Power Co. Ltd. is responsible for the preparation of the GHG emissions data and the reported GHG emission reductions of the Project on the basis set out within the monitoring procedures in the VCS PD Version 01 dated 14/01/2010. The development and maintenance records and reporting procedures is in accordance with the plan, including the calculation and determination of GHG emission reductions from the Project is the responsibility of the management of the Project.

Bureau Veritas Certification verified the VCS Monitoring Report version 02 dated 22/02/2010 for the reporting period as indicated below. Bureau Veritas Certification is able to confirm that the Project is implemented as planned and described in the VCS PD. Installed equipment being essential for generating emission reduction runs reliably and is calibrated appropriately. The monitoring system is in place and the Project is ready to generate GHG emission reductions (VCUs).

Bureau Veritas Certification can confirm that the GHG emission reduction is calculated without material misstatements. Our opinion relates to the Project's GHG emissions and resulting GHG emission reductions reported and related to the project baseline, monitoring activity and its associated documents. Based on the information we have seen and evaluated we confirm the actual amount of VCUs associated with the Project specific monitoring report that has been verified as following statement:

Reporting period : from 01/01/2008 to 23/04/2008

Emission Reductions : 56,872 t CO₂ equivalents (VCUs) Reporting period

Reporting period	Emission Reductions (VCUs)
01/01/2008 to 31/01/2008	15,741
01/02/2008 to 29/02/2008	16,942
01/03/2008 to 31/03/2008	13,628
01/04/2008 to 23/04/2008	10,561
Total in 2008	56,872
