RE: Statement request by VCS Registry

Dear Sirs,

With reference to SGS Verification Report CDM.VOL0036 dated 18/10/2007, related to the verification against VCS Version 1, of the monitoring period 10/09/2001-10/01/2007 for “LKPPL Fuel switch project for generation of cleaner power project at Kondapalli, Andhra Pradesh, India”, SGS would like to make the following clarification as requested by the VCS Registry on 25th May 2011:

The project's emission reductions or removals are fairly stated and have occurred in compliance with the VCS rules and requirements / meet the VCU Verification criteria, applicable at the time of issuance of the verification report (VCS Version 1).”

Yours sincerely,
